WEDNESDAY, DECEMBER 3, 2025

11:00 a.m. - 11:45 a.m. Central

Cancer patients, survivors, caregivers and family members are invited to join us for an engaging and informative session designed to help you better understand the role of clinical trials in cancer care. Learn what participation involves, how trials are structured, and what questions to ask when considering your options. You'll also have the chance to engage directly with the speaker during a live Q&A session—bring your questions and get the answers you need.
